U3A (The University of the Third Age)

is a UK-wide movement which brings together people in their 'third age' to share and develop their interests in a friendly and informal environment.

There are no qualifications to pass – it is just for pleasure.

U3A members draw upon their knowledge and experience to organise interest groups, teach and learn from each other.

Keep in touch by following the Tadcaster and Villages U3A Facebook page

For more information about U3A in general visit www.u3a.org.uk.
