

AGM and YAHR FORUM

We are inviting all u3a members in our region to join us for our AGM, which should not take too long and will be followed by a Forum-style workshop (rather than our usual single-themed one) in which we can all share in some of the very positive things that are going on in our region.

There will be lots of opportunities for networking and sharing good ideas + airing and finding solutions.

10.30 – 3.00pm Monday 12th May 2025
at St George's Conference Centre, Great George
Street, Leeds LS1 3DL

We would like to offer participants an opportunity to share any recent, successful projects or innovations and also, it would be helpful if you could e-mail us about any issues/problems/ideas that you would like to be included. Please e-mail Angie Grain (events@yahru3a.uk),

To Apply - either:

- Go to www.yahru3a.uk (preferred method), click on the 'events' tab, find the workshop and use our online form; or
- only if that is not possible for you - Email us via events@yahru3a.uk

The CLOSING DATE for registration is Sunday 4th May 2025

Please indicate, on booking, if you have any special requirements regarding - access, learning needs or dietary needs.

When you provide us with your email address, we will use it to inform you of YAHR events and activities. You can unsubscribe from our mailing list at any time via secretary@yahru3a.uk

DIRECTIONS TO ST GEORGE'S CENTRE.

This is a city-centre location within relatively easy reach of public transport.

According to Google Maps it is about 14 minutes' walk from the Leeds mainline station to St George's Centre. (If you walk to the back of Leeds Town Hall – with a VERY large clock tower - and then turn left on **Great George Street**, pass the old Victorian part of the Infirmary on your right, then pass St George's church again on your right and the Conference Centre is just behind the church. (If you get to the bridge over the Inner-City Ring Road – you've gone too far – turn back!)

As parking is limited (and expensive) in any city centre, it is best to avoid bringing your car. If necessary, you can find parking via Google, perhaps The Light is the nearest.

For travel directions please see:

<http://www.stgeorgescentreleeds.org.uk/find-us.html#>

NB – If you Google 'St George's Centre, Leeds – there are TWO of them – check you have the Conference Centre on Great George's Street, not the NHS one in Middleton.

ACCESSIBILITY - Our meeting room and the toilets are on the ground floor and should be fully accessible. If you need permission to use their own (very limited) disabled parking space please send an e-mail, including your car make & model and registration number, to Angie Grain to arrange it for you.
